

Fifty Ninth Legislative Council
of the
Associated Students

Begun and held at the University of California at Santa Barbara, in the City of Santa Barbara on the twenty-eighth day of October, two thousand nine, in the fifty ninth year of our association.

A Resolution

To

Urge UC Student Regent Jesse Bernal to Vote No on Further Fee Hikes

Whereas: Jesse Bernal was selected to be the voice of students on the UC Board of Regents, and therefore should act in the best interest of all University of California students; and,

Whereas: Extreme fee hikes in the past coupled with the current economic crisis are virtually privatizing and limiting access to the university; and,

Whereas: Over 1,000 students will be mobilizing across the state to ensure affordability and accessibility to the University; and,

Whereas: The EVPSA office is committed to bringing 150 students in coalition with our union workers.

Therefore let it be resolved by the Associated Students in the Legislative Council assembled: That Jesse Bernal should vote down any and all proposals to drive up tuition costs, starting at the UC Regents meeting taking place in November of 2009, but not ending on that date.

Let it be further resolved that: Students, faculty, and staff support the ongoing efforts of the EVPSA office in fighting fee hikes and other unfair student taxation.
