New Topic

- Revision of A.S Recycling by-laws, last update was 2001
 - Whenever there is money involved, should be voted on for more accountability and visibility for Legislative Council
 - Program Coordinators will work on it
 - Should include more student body for outreach programming
- Should outreach and coordinator meetings combined?
 - at least have detailed Coordinator minutes to bring Outreachers to same page in program updates
 - may be inefficient, very long meeting
 - Leg council should know what's going on in coordinators' side
