B. DISCUSSION ITEMS

B.1. Introductions

Andrew: Hey everyone, I'm Andrew and I'm this year's Elections Chair. I'm a senior and I've been on this committee since my first year. This will be my fourth year on the board.

Andrew: We have an almost full committee this summer! Today will be an intro meeting. Today we'll overview the year. Let's all introduce ourselves first.

B.2. Summer Plans

Andrew: So here's the reason that it's critical that we start our meetings this summer. There are a few things we need to address before school starts. First, there was a potential Senate bill about increased document release that we need to read again together. We're meeting with the writers of that bill later this summer. That will probably be a full meeting. Second, we need to agree on recall election procedure for Fall 2020 so we are prepared if we hear anything about that.

Andrew: Most importantly, we should begin planning now for spring elections on the possibility that some parts have to be virtual again. Last year we were all kind of thrown into it since covid

happened right before elections. We can definitely be more prepared for this year. Wessal, earlier you mentioned adding a section to Legal Code about virtual campaigning. That would need to be drafted soon and we can start before Fall quarter.
