

# **AS BIKES**

**Minutes: Wednesday October 8, 2008**

## **AS Conference Room**

Role Call:

- . Nathan Pfaff
- 0. Liz Lovelock
- 0. Scott Bull
- . Chris Wendell
- Zero. Jackie Volkoff
- Zero. Ralph Fertig

### **-Introductions**

#### **-Website update**

- 0. Use Stanford website as a model
- 0. Talk to JudyAnne, AS web designer, about helping with website update
- Zero. Fix google keywords to make the website easier to find

#### **-Bike gripe/ Outreach**

- 0. Chris Wendell suggested that we not do a bike gripe for fall, but rather start working on projects.
    - . All parties agreed
  - 0. Instead of bike gripe; table at the Ucen/Arbor to get more students involved
  - Zero. Table during high traffic hours (11-1)
    - Table/advertise at the bike shop, try it once, see how beneficial it is.
- Once we have students involved, how do we use them?

- Zero. General meetings about AS b.i.k.e.s
  - 0. Two meetings per quarter, provide general information and consistent times.
- Zero.

#### **-Email newsletter on activities to distribution list**

- Zero. Update contact list

#### **-Need new banner; create creative artwork**

“advocate for UCSB bike community”
