

## AS BIKES

Minutes December 2, 2008

### Attendees:

Fafalla Borah  
Chris Wendell  
Nathan Pfaff  
Scott Bull  
Jackie Volkoff  
Aaron Jones  
Jamey Wagner

1. Announcements
  - a. Fast track project for SAASB, talk to Dennis about money from facilities
  - b. Submitting PIF for Music North, get estimates for different surfaces, share costs with ADA, estimate at next meeting
  - c. Jamey mentioned bike loop by bus stop needs to be resurfaced as it is flaking to the point where it will not be safe soon.
2. PR/Outreach/Recruitment Strategy
  - a. Update on Comm on Comm BIKES recruitment
    - i. No news, out for the rest of the quarter
  - b. Sidewalk Signs, UCPD
  - c. Website update
    - i. Send to Nathan for suggestions
    - ii. Check results from survey
  - d. AS Bike shop clipboard, promote helmets, free flashers
    - i. Wait until next quarter, Nathan will talk to David the shop manager
  - e. Order Banner
    - i. \$100 unanimously approved
  - f. Tabling at UCen
    - i. Decided against it, Jackie and Nathan will brainstorm over winter break strategies to get people involved. Goal: at least one committee member.
  - f. Bike Gripe winter 2008
    - i. Scheduled for early to mid winter quarter
3. AS BIKES Business
  - a. Bikes survey via email
    - i. Go to OSL to get password and name for BIKES to advertise meeting in nexus
    - ii. Get into the Miles Ashlock email
  - b. Office refurbish

- i. Plans reviewed and improved will get new quote for new desks for office through BKM redesign. Great opportunity to make office more work efficient and user friendly. Also will add more workstations for students that are highly needed. Meetings can be held in office. new carpets installed over break.

**MOTION: Table. Investigate Associated Capital Reserves to cover costs for Associated Students office furniture**

- c. Bike Auction strategy
  - i. Nothing has changed, Nathan and Jackie will brainstorm over winter break to develop a strong strategy
- d. Follow up bike policy
  - i. Find out if the new buildings on campus are following the guidelines
  - ii. Problem: It is a bike guideline and not a policy, which means it is not enforced policy
  - iii. Goal: get guideline approved as campus design standard, the problem is that it costs money to do this
  - iv. Ask campus planning how they are using the policies
- 4. Projects/Programs
  - a. Bike rack assessment-review and send full data to CSO
- 5. Priority Projects List
  - a. SAASB intersection
    - i. Hopefully complete during winter break (see above)
  - b. Music North Parking: Request meeting with Mark Fischer to discuss plans and ideas.
  - c. Kerr Hall: not discussed
  - d. Campbell Hall: Not discussed
- 6. ADA projects in works
  - a. On the East bound pathway by Phelps, address the blind corner and create a safe path of travel as there is no sidewalk
    - i. Ideas: Remove landscape in front of A&L, create a sidewalk that connects to Ellison and create a tactile edge and use concrete in front of asphalt
    - ii. Straighten path, run sidewalk on the A&L side of path and add bike parking that would help alleviate parking issues at Campbell Hall
    - iii. Site visit after Dennis draws schematic
    - iv. \$100,000 approved by ADA to fund project
  - b. South Hall Crossing
    - i. The tactile warning is not easily visible
    - ii. No differentiation between sidewalk and path

- iii. Remove fencing and dismount, the striping is off center, hydrant is sinking which causes cyclist to deviate from path.
- iv. Potentially a joint project between BIKES and ADA
