Business

1. Budget update: Bike Race sponsorship (\$500), Bike Lockers (\$10,425.48), Bus Loop project on hold, West Campus Bluffs subtracted.
2. Final brochure and campus map. Bike lots need to be highlighted. Will be produced by Haagen Printing \$873 plus tax for 5,000 copies. Is it possible to get them done on recycled paper?
3. Details for press release: Chris to generate and give to CSO for chance to comment before giving to Nexus. Should include
4. Bike rack assessment  
Observation of increased tagging  
Observation of tags as old as 2005 (is this true Scott – the oldest you have seen?)  
Notice of change of policy for bikes in impound – propertyroom.com  
CSO told us propertyroom.com would be picking up bikes on 3/19  
Expectation that bike racks will be cleared out over spring break
5. Goleta Planning Agency Meeting is looking more at Old Town Goleta and not the beach area. The County process meeting will be more useful.
6. Bike Signage. 8 sandwich boards will be paid for by UCPD by Anacapa Signs. What font do we want? - Calisto, Felt marker, etc.

Bike System Improvement Projects

1. Bike Lockers. Need to finalize location to be able to print an accurate brochure/map.
2. Pardall corridor – updated estimate from Scott's walk with Maryanne next week.
