### **Business**

1. Budget Update  
Facilities:  
Total of \$90,000 from last years roll over and this years funds
2. Bike to work day  
May 21<sup>st</sup>: Possible Outreach at the bike shop?
3. LRPD:
  - a) University long range development includes plans to remove the Pardall tunnel and connect all roads perpendicular to Ocean to Ocean Rd. the extra space generated would be used for housing. What can BIKES and the student body do to discourage this?
  - b) A.S. BIKES needs it's own Long Range Development plan so there is no overlap with the Universities LRPD, also, so that BIKES knows what projects are most important to focus on
