Meeting Started: 11:11

Present: Chloe, Rachel

Absent: Jose, Dina, Max

Chloe: So.... obviously we see who the dedicated CBL members are...

Bills

1) A Bill to restructure Student Lobby

- Chloe: Why in the Voting membership is there no list of specific positions held in Student Lobby? All it says is “Student Lobby Officers”
- Section E, 5 should have a comma after “6” and a period after I. It should read *Article VI, Section 6, I.*
- Section E, 13 should have a comma after Board. It should read ...*member of the Board, as funds permit.*
- Section F, 1-6 all need a period at end of sentence.
- Section F and G need a colon after the heading. *Vice-Chair:* and *Local Coordinator:*

2) A Bill to Restructure EVPSA Position in Student Lobby:

- Looks good.

3) A Bill to Restructure AS Code:

- In Section 1, aa there needs to be a period at end of sentence.
- In Section 2 both “d” and “e” shouldn’t be indented.

4) A Bill to Restructure Rally Committee:

- Put colons after the headers of all the positions (i.e. *Duties and Powers of Recruitment Coordinator:*)
- Sections M through V need to be re-lettered accordingly.
- The sentence beginning “*Shall be responsible*” that is after section M, 2, c needs to be numbered or lettered.
- HAHA please change the title/postion of Section P and then add that position to the voting members.
- In Section P, 7 and Section R, 8 it should say “work closely with the *Recruitment Coordinator*, not *Membership Coordinator*.”
- Add the Position in Section R to the Voting Membership section.

- Renumber Section R accordingly.
- In Section G 8 and 9 take out “*Shall*”
- In Section H, 4 it should say ***establish*** not *establishing*.
- So all of the duties are uniform Section H, 3 delete “*Responsible for*” and have it read “**Communicate and Work with..**”

Rachel: Two people in this meeting are not enough for the amount of bills we looked over. A midterm is a good excuse, but being “over hung is not!
