Also included in the email is a list of elements that would involve key student participation in. Coastal Fund will continue to discuss whether this is of interest to the group.

X. APPLICATION REVIEW

WIN10-02 Meet Your Wild Neighbor

Meet-Your-Wild-Neighbor (MYWN) exists to inspire in children an early, life-long passion for nature and focuses on students in low-performing/high minority area elementary schools locally

including Isla Vista Elementary, where few opportunities for wilderness experiences exist. These children have much to gain from connecting with nature. Funding will provide El Camino School 3rd grade students with four 5-session programs. They will learn about 8 seabird/shorebird families and their habitats. MYWN incorporates live bird visits, colorful science curriculum, a bird sound CD, storytelling and field trips that meet/exceed California Science Curriculum Standards for each grade. The objective: increase by 50% knowledge and awareness of coastal birds. UCSB students are the teachers

MOTION to fund WIN10-02 Meet Your Wild Neighbor for \$2,755.00. \$1,440.00 for instructor prep and teaching, \$440.00 for classroom student materials, \$200 for field trip bussing, \$600.00 for two student interns (\$300.00 stipend per intern) and \$75.00 for a laminator.

STIPULATION: must include Coastal Fund logo on large posters, distribute Coastal Fund materials to community, and involve UCSB student interns in hands-on and in-class work,
