**VI. Proposal Review**

SPRING 07-01 "AAUS Research Diving Certification to Facilitate Marine Research and Conservation"

There are several issues and questions brought up by this project:

1. Can we do retroactive funding to reimburse these grad-students?

2. Should Reef Check have charged students \$100.00 ?
3. Why are students being charged for equipment rental?
4. Why were graduate students denied scholarships?

We need to table this proposal until these questions are answered.
