Committee on Committees met at 5:03 at Naan Stop.

The Committees first order of business is the resignation of Bee Sliff, as Comm on Comm's co-chair. Bee went over her duties with Meri Telalyan who resumed her position as co-chair upon her return from abroad.

Internal Vice President Matt Jackson appointed Trinidad Pizano, as a new co-chair for COC.

Committee discussed the Winter AS Recruitment Fair. The committee went over several possible areas to table. The committee resolved to ask Media Relations for help advertising the fair. January 31st will be the official date for the fair. The location is TBA.

In brainstorming alternate ideas for AS advertising, the suggestion was made to incorporate an AS tour through the Visitor Center. It is something to think about.
