

# **COMM on COMM**

(Minutes 10-17-07)

-Committee called to order at 4:10 pm. Members present include: Bee, Patrick, JPP, Jess, Trinidad, Stephanie, Pratish, and Tyler from Publications.

-We began the meeting by looking through the list of appointees and revised them. We made two changes: one change was a miss spelling; the other was to take a candidate off.

-Stephanie decided that after the events of the previous week, she wanted to go over the list more thoroughly before presenting it to Legislative Council, hopefully next week.

-Finance Board approved amount for COC that Daily Nexus charged for advertising the Recruitment Fair

-Stephanie stepped out of the room so that the Committee could interview two candidates, Robert and Crystal, for the position of Business Services Chair.

-After the interviews, the Committee agreed that Crystal was more qualified and motivated in addition to having more work-related history and leadership skills.

-Meeting adjourned at 4:50 pm.
