

# Associated Students

## Department of Public Worms

### Minutes

4/27/06

**Attending:** Jason Norris, Alisha Dahlstrom, Aaron Gilliam, Diana Chang, Trevor, Dan Grossman, Ayla, Jiana

#### 1 Welcome

- a Intro to our operations: Diana explained to new members exactly what it is we want to do in the future with worms. Hopefully building five worm bins by the end of Spring quarter 06.
- b Larger mission: We all shared ideas of how to create more outreach for AS Worms. Possibly extending out to the UCSB campus and getting a bucket in all the Res. Halls. Jiana from AS Recycling gave this opinion.
- c Positions: Dan and Diana as the two AS Worms coordinators. Ayla, Dan, and Diana are the route riders for now.

#### 2 The New Worm Box

- a Last workday today. Plan on getting in contact with IV Parks and Recs to get the tractor to move the 2nd Worm bin to People's Park.

#### 3 Hillel worm box

- a Talk with Jake about creating a meeting with the Rabbi
- b Designate two people for Hillel Project: Dan and Diana

#### 4 Green Business Program

- a Contact info: (805) 568-3440
- b EMAIL: <http://www.greendifference.org>
- c Still need to designate two people for this project

#### 5 Casting Donations:

- a Need an application process for people to request finished worm compost ("castings")-Aaron
- b Have a simple application on line with all instructions posted-Aaron

c Monthly review of applications-Trevor

d First donations go to:

- All to IV parks and rec.
- 50% to IV P&R, 25% to Quail Springs Learning Oasis and Permaculture Farm, 25% to Grad student Monarch Butterfly breeding program

6 Actions:

a Get new bike lock: Diana

b Web site. Talk to Ed.

c Get locks for new worm bin

d Outsource finish worm castings

e Build third Worm bin

f Get contract with Silvergreens and Jerusalem Gardens for route
