- j. Need to tell candidates about KCSB statements

#### III. What is Campaigning?

- a. Forums not technically, unique circumstance because of scheduling problem

- b. Can do word of mouth
- c. Need to make section 3a and definition of what campaigning is clear
- d. No distribution of materials
- e. CAN fundraise this week, but no printed materials advertising the campaign
- f. Are electronic sources counted as distributed materials?
  - i. Can facebook groups be started before “campaigning”
    - 1. We will allow it this year, but give them a warning and change for next year
  - ii. All or nothing approach, either advertise mentioning all candidates of all parties and independents, or mention none
  - iii. 3-0 vote in favor of allowing members to join facebook group promoting forums as long as they don’t support one candidate or a slate of candidates
    - 1. Once again all or nothing
  - iv. Should all electronic messages be cleared with Elections Committee?
    - 1. Maybe instead just say if there are any questions please forward what you have to elections and we will make a decision
