- bring class schedule
- bring a camera for pictures
- bring movies or dvds if you want
- bring bathing suits—its on the beach!
- watch out for sharks though...
- bring warmer clothing too for at night

AS fee initiative

- special election to go out for AS fee initiative
- omnibus fee initiative and then 5 year moratorium on fee increases
- we haven't increased our lock in since 1985
- we need to develop a rationale for why we need a fee initiative
- what does kcsb need etc.
- if we do this we take care of the present and the future—reserves for building or inflation or whatever
- the plan would be to have it run in late october
- we need 50% + 1 to pass
- we would need 2500 signatures to get it on the ballot
