World AIDS Day is our first event of the school year. The theme this year is "Protect Yourself: Know Your Status" and our goal is to inform as much of the UCSB community about the importance of knowing your HIV status, protecting yourself from acquiring the HIV virus, being able to explain to your partner your beliefs regarding risky sex and latex barriers and other forms of protection against the HIV virus such as abstinence. We are going to be creating a fun and interactive environment for students to approach our informational event while at the same time addressing the seriousness of HIV/AIDS awareness and prevention. We are also inviting other organizations to table with us during the event.

Description:
The Club will provide a one hour free Basic Swing Dance Lesson and a Swing Dance with a Live Swing Band "Flat top Tom and his Jump Cats", open dancing until Midnight. Refreshments will be provided. The club aims to provide a place for dancing for students and the SB community. The dance is an alternative to the Isla Vista party scene, with there being no alcohol provided on campus. We encourage our members to interact and socialize with other attendees and make new friends while having a fun time dancing. SBDC is a social dancing club and we strive to keep our club events safe and enjoyable.

United Dance Association holds Nationals every year in Orlando, Florida. This
is a very prestige competition. UCSB competes in both the jazz and hip hop
categories. Two years ago, we attended and placed in the top 5 in the nation.
Although we could not attend last year we attended another competition in
which we placed 4th.

This school year we are lucky enough to spend a lot of our competitive time on our home fields. For some of our travel we would like to try to get some of the cost covered. In general, when we travel, gas is paid for out of pocket and van rentals tend to put a significant dent in our budget. We have the second highest dues of all of the club sport teams and it would be extremely helpful to receive support on some of the additional payments for traveling. Nationals especially, is our biggest financial obstacle because it includes the airfare and the week long van rentals.
