An Evening with the Anti-Racist and White-Privilege Awareness Activist and Writer—Tim Wise. "Getting' Wise" is a lecture-based portion of the privilege awareness, "Shades of Grey", week in the residence halls. Tim Wise is nationally renowned for his anti-racism activism. In the year 2001, our national board of directors, La Mesa Directiva, established a national community service event that was to target underprivileged youths. The motto of the program was to be known as, "TIJERAS (Spanish for Scissors): Cutting Through to Enhance Educational Opportunities." In the same year a study by the American Association of University Women showed that the highest drop out rate of high school students were minority and of low income. With the new motto established, the new national community service event was to be known as, TIJERAS: Youth Leadership Conference. Tijeras: Youth Leadership Conference focuses are as follows: 1) To help formulate firm and realistic goals in regards to academics for the underprivileged. 2) Help students familiarize themselves with college environments, terminology, and prerequisites. 3) Discover and encourage financial aid opportunities that do not limit students' options for college and majors. 4) To instill cultural awareness and self-respect. As a student initiated, directed, and supported organization, each donation and contribution received reaffirms our commitment to our dedication in Academic Excellence and the surrounding underprivileged community. I would like to thank you in advance for your time and consideration. Your support will be greatly appreciated.

The homes are simply designed and can be constructed within 4 days by a team of 15-20 people with or without construction experience. EWB-UCSB typically begins recruiting participants in early Fall quarter of each year. This project is not only for current members, all students across campus are encouraged to participate.

Event Location: Campbell/UCen/AS/MCC/Storke

We will be hosting the Womyn of Color Conference (WOCC) on our campus, of which our goal is to bring college students from across the state and education system to UCSB to discuss and create solutions for issues facing womyn of color and our communities. This will be the first WOCC in several years and we would like to make a big and successful comeback. Our goal is 400 students total, and UCSB students would attend for free (other students and community members will pay a small registration fee). It will be a two day conference including workshops and caucus spaces, the Take Back the Night march, and tentative performers and speakers include Janelle Monae, Sisterspit, and Angela Davis. This is a very powerful and important conference that is open to everyone to learn from. We have also been fundraising from different organizations and holding local fundraisers around IV and campus.

Hold an event for leaders from a variety of organizations, specifically
underrepresented ones, to discuss inner-collaboration and participation within
the organizations in order to better enhance the available resources for
underrepresented students at UCSB. Surveys, polls and open-ended
discussions will be amongst the activities at the event as well as a team
building exercise to encourage camaraderie amongst all organizations. We feel
it is essential for each club to foster bridges of communication amongst the
others and we aspire to, with the participation of the other leaders, make this
event quarterly.
