"A Night of Hopes & Dreams" Charity Ball is an event/dance where ALL the proceeds will go to the neediest families in the Isla Vista community. While promoting for this event, La Escuelita plans on raising awareness among UCSB students about the low-income families that reside in Isla Vista. There are many people in our community who live in poverty or near-poverty conditions and UCSB should be aware of this in order to lend a helping hand. This event will also bring together UCSB students and create a united, solidarity atmosphere. This event/dance will be held on Friday, February 26th, 2010 at the Linda Vista Room in Santa Catalina. The event is open to all UCSB students as an exciting, safe, and affordable alternative to the Isla Vista party scene as well as a family-friendly venue for the local community. We will offer light appetizers and beverages throughout the night.

Every year the UCSB Cheerleading team competes in the USA National cheerleading competition in Anaheim California. We compete against several other UC Schools and other Universities. Last year we placed 6th and are really hoping to improve our ranking with the team we have put together this year. It is a two day competition on Feb 14th and 15th. Competition season is the only chance we get to perform and compete for ourselves rather than another team on campus and is also our biggest recruiting exposure.

Event Lead: 805-637-5497
anastasiabrush@umail.ucsb.edu

Start Date: Thursday Mar. 4, 2010
End Date: Sunday Mar. 7, 2010

Event Location: UCSB, various locations

The 2nd International Women’s Encounter, hosted by “Women in Capoeira” from Capoeira Sul da Bahia will be held March 4-7, 2010 at UCSB. The mission is to build community amongst women in Capoeira and providing a safe, encouraging space for women to unite and to learn this martial art from other women as mentors. The event will include 3 ½ days of workshops, lectures and performances as well as team building amongst women on the UCSB campus together with Capoeristas from all over California, the US, Canada and Brazil. Women instructors from all over California, Canada - and even Brazil, will teach the workshops. There will be free classes on Thursday, followed by a Brazilian Capoeira Cultural Show and Brazilian meal. On Friday, we will host two workshops and an open Roda (where everyone gets a chance to “play” and music is played for the Capoeiristas). There will be workshops all day on Saturday as well as Sunday morning and afternoon. There will be a workshop on Thursday that is open to everyone – males and females - and the brazilian cultural show is open to everyone. Traditionally, like most martial arts, Capoeira has been dominated by men, but recently women have entered the sport. In fact, just 15 years ago, women were not allowed to play.
Participating in Capoeira events can be intimidating to women and women often cannot fully participate due to the domination of the men in the activities. Capoeira Sul da Bahia is unique in that 80% of our students are women and it is an ideal place for women to practice. We felt compelled to create an opportunity for women to gather and to bring women capoeiristas together from all over California to practice and inspire each other. We hope that through the free classes available to UCSB students that we can share this unique martial art and culture and encourage self-empowerment, strength, confidence and team building. We chose the first weekend in March as it was the closest to International Women’s Day – March 8th – to celebrate as well as to honor the women that have come before us, united together and helped to break barriers so that we would have more opportunity and role models for organizing.

Capoeira (kah-poo-e-da) is a blend of martial art and dance set to the rhythmic music of Brazilian instruments. Developed by African slaves in colonial Brazil it combines a variety of strikes, acrobatics, and fluid articulation in movement. Practitioners develop a distinct perspective of union, community, and respect inherent in the Capoeira culture. Capoeira was instrumental in beginning to break down racial barriers and in securing freedom for slaves in Brazil. Now people of all races, nationalities, gender, and economic backgrounds practice Capoeira all over the world.
