13. American Marketing Association

American Marketing Association: We ask just in case we don't use all of the money for flights and transportation if we can use it for accommodation as well. UCSB doesn't really provide opportunities and we are trying to save as much money as possible for future opportunities

I. Liu: Are you asking for a reallocation?

American Marketing Association: Yes permission to use it for accommodations as well.

14. Nikkei Student Union

Nikkei Student Union: We are asking for funding for our culture night April 18. It is the biggest opportunity to share Japanese culture. Meeting resumes at 5:12 PM

Attorney General: We are severely underfunded in terms of honoraria; we are amending it for next year. I get \$350 for each quarter which leaves \$100 for solicitor general even though they get \$300 per legal code. This does not account for my case workers. We are going quarter by quarter because I cannot do anything about the submitted budget. I am asking to move \$100 from supplies to honoraria.

Dumlao: Since we already approved the budget, I believe you have to talk to the President now.

Hadidi: You are just asking for the line item shift

AG: Yes

Ferguson: I am in honoraria committee, we are going to reallocate the money and request the rest from Senate

Ferguson: *Point of Information* Ask for \$100 for your case workers, there are two, and \$200 for the solicitor.

I. Liu: It would be an additional \$1900 I believe

Ferguson: They have \$1200 for the honoraria and \$100 for supplies. We already funded \$700 to Tyler for fall and winter. It leaves \$600 and \$350 for Tyler to be saved. So case workers get \$200 quarter and there are two, so it is \$800 and plus \$350 and \$100 for the solicitor general so it is \$1250
