ayates@umail.ucsb.edu

Start Date: Friday Nov. 5, 2010

End Date: Friday Nov. 5, 2010

Event Location: Corwin Pavilion

Description: This event would consist of a legal panel composed of 4 speakers (lawyers and judges), followed by a professional, legal mixer. Our objective is to provide an opportunity for students to learn about different areas of law. For the legal mixer to be a success, we want to invite 50-100 local law firms to attend. This way, if students want to learn about an area of law not covered in the panel they can talk to a lawyer who is practicing in that field. Also, students can hunt for internships, or just experience networking at a mixer, even if they don't have a real interest in law.

megfern@gmail.com

Start Date: Friday Nov. 19, 2010

End Date: Friday Nov. 19, 2010

Event Location: College of Creative Studies

Description: Every week the Poetry/Poetics Hub comes together to discuss, critique, and workshop their poems. At the end of November, six undergraduate students will give a reading with Matthea Harvey, a celebrated young poet from Brooklyn, NY. The aim of the Poetry/Poetics Hub is to foster a dynamic environment for poetry—its creation, study, and presence—at UCSB. Its purpose is to generate a fresh interest in poetic language, to bring together university members and the community of Santa Barbara who share common interests in contemporary poetry. We believe that bringing young poets to read will entice undergraduates to discover how poetry is related to their own experience.
