Dear Chris Wendle :

My name is April Gubatina and I am one of the Co-Social Chairs for Kapatirang Pilipino 2009-2010. My Co-Social Wendy San and I are responsible for organizing KP's involvement with CSU Fullerton's 24th Annual Friendship Games hosted by Pilipino-American Student Association Kaibigan. I am writing this letter to request funds to help us achieve our goals for Friendship Games. This year CSU Fullerton anticipates over fifty schools and 8,500 students in attendance. Friendship Games is on October 24th, 2009.

Each year Friendship Games gathers the Pilipino-American and API communities from campuses all across the nation to help foster awareness and growth for one another. KP UCSB traditionally attends this event to provide its members a dynamic look at the growing sense of unity throughout the API community in other campuses. This weekend also encourages growth within KP UCSB, as this event helps our members get to know one another and get to know the API community in UCSB.

Friendship Games is celebrated and won in two ways. One way is through five highly competitive and fun picnic games comprised of ten people. We always aim to finish in the top three to showcase UCSB physical prowess. The other way to win as a campus is by best showcasing **Spirit, Pride, Unity, and Friendship (SPUF)** to the other universities. All the participating universities vote on the school they believe showcases SPUF the best, and the winner receives a very deserving eight-foot trophy. Our goal this year is to win both trophies and put UCSB one step closer as a leader in the API community.

This year our members are paying for the two nights stay at a local Fullerton hotel, transportation costs, and KP UCSB shirts. In order to participate in this annual event, KP UCSB has to pay a registration fee. We carry on this vision with believing that our members should not have to pay out of their own pockets to enter the event. This is why we are requesting for funds for registration to lessen the burden on KP and its members.

Please feel free to contact me if you have any further questions. I am in constant contact with our advisor Zekee Silos if you somehow cannot contact me. I would like to thank you so much for your time and consideration.

Sincerely,

April Gubatina

Description: With the sponsorship of the UCSB Anthropology Department, and department chair Katherina Schreiber, we are going to publish a legitimate, peer-reviewed academic journal. Submissions of papers will be open to all undergraduate and graduate student in related fields - Anthropology (physical, cultural, archaeological), History, Sociology and Global Studies. This will be an unsurpassed opportunity for students' work to be published, leading to their increasing ability to win prestigious scholarships and gain admittance to competitive graduate programs. A small run of hard copies will be printed and circulated without charge. Papers will also be published online, allowing them to be read and cited by academics worldwide.
