Description: In the year 2001, our national board of directors, La Mesa Directiva, established a national community service event that was to target underprivileged youths. The motto of the program was to be known as, "TIJERAS (Spanish for Scissors): Cutting Through to Enhance Educational Opportunities." In the same year a study by the American Association of University Women showed that the highest drop out rate of high school students were minority and of low income. With the new motto established, the new national community service event was to be known as, TIJERAS: Youth Leadership Conference. TIJERAS: Youth Leadership Conference focuses are as follows: 1)To help formulate firm and realistic goals in regards to academics for the underprivileged. 2)Help students familiarize themselves with college environments, terminology, and prerequisites. 3)Discover and encourage financial aid opportunities that do not limit students' options for college and majors. 4)To instill cultural awareness and self-respect. As a student initiated, directed, and supported organization, each donation and contribution received reaffirms our commitment to our dedication in Academic Excellence and the surrounding underprivileged community. I would like to thank you in advance for your time and consideration. Your support will be greatly appreciated.

Event Location: SRB

Description: Hold an event for leaders from a variety of organizations, specifically underrepresented ones, to discuss inner-collaboration and participation within the organizations in order to better enhance the available resources for underrepresented students at UCSB. Surveys, polls and open-ended discussions will be amongst the activities at the event as well as a team building exercise to encourage camaraderie amongst all organizations. We feel it is essential for each club to foster bridges of communication amongst the others and we aspire to, with the participation of the other leaders, make this event quarterly.
