Start Date: Wednesday May. 19, 2010

End Date: Wednesday May. 19, 2010

Event Location: Storke Plaza

Description: A fun, interactive atmosphere to help educate students about communication, birth control, knowing their values, abstinence, safer sex practices, pleasure, and preventative health care. We hope to give students the confidence they need to assert themselves in relationships so they can prevent unhealthy situations. We will be inviting different groups to help us stress the importance of being comfortable and responsible with one's sexuality in order to make healthy choices. We also hope to inform students of all the resources available to them on campus and in the community. Our goal is to reach as many students as possible through providing information, giving away free goodie bags and t-shirts, and creating an all around fun, relaxed atmosphere to encourage students to be comfortable learning and talking about these issues.
