Our 12th Annual Culture Night: Featuring a play focusing on the generation gap between immigrant parents and their American born children, while also acknowledging the gap between older Americans and the young. Through acting, and the incorporation of film and dance, we hope to continue our tradition of bringing a part of our culture to the UCSB campus. We plan on donating all of our ticket proceeds to ACWP (Aid Children without Parents), a program that will help give orphan children, especially displaced Vietnamese orphans, the support they need to become self-sufficient and a productive member of society.
