Agenda/ Public Forum:

I. Environmental Strategy [From STAR, HEAL and S&R]

These programs will help with fellow peer's health and promoting healthy lifestyles throughout the community. The three projects are Project Hydrate, Operation Snack Attack and Condom Alert. Project Hydrate hands out water bottles, Operation Snack Attack is small snacks to promote not drinking on an empty stomachs, and Condom Alert provides condoms.

Requesting minimum of:

Project Hydrate (STAR): \$120
Operation Snack Attack (HEAL): \$452
Condom Alert (S&R): \$344.80
Total : \$916.80

II. Puerto Rican Art Exhibit [Rep: Tuyen Nguyen]

Puerto Rican Art Exhibit is an internationally acclaimed exhibit that features the artwork of two Puerto Rican political prisoners, artists and community organizers: Oscar Lopez Rivera and Carlos Alberto Torres.

The funding from IVCRC will be used to create a mobile mural so the IV community can more easily get involved. It will help with publicity as well as providing more interaction with the community. Other funds can also be used to help funding the Adolfo Matos and other publicity.

"Not Enough Space" is February 1-29th. The opening ceremony features Adolfo Matos speaking at Casa de la Raza on Friday, Feb. 1 at 6 pm. There is a pre-event at UCSB MCC with a speaker on Jan 31, at 6 pm.

Actions Of The Week:

I. Environmental Strategy: Peer Health Interns

Motion by Jessie to fully fund the program.

Motion Seconded by Liz

Consent

Note: We feel the University should give the Peer Health Interns funding so they have the money to do what they need.

II. Puerto Rican Art Exhibit

Motion by Cori to fund \$300 (75% of the fliers) and \$250 for the art mobile. Also open to funding a speaker if they speak in Isla Vista.

Seconded by Konina.
