#### **II. Word Magazine**

WORD Magazine is a student run publication that focuses on Isla Vista arts and culture. The magazine is run, written and edited by UCSB students—aims to celebrate more “cultured” view of community for the community. Fall 2008 issue is ready, but needs funding to go to print. Every issue needs 2,500 printing and shipping costs. WORD is requesting 5,000 to pay for half of the next four issues (WORD is quarterly).

Requesting: \$5,000

### **Issues of the Week**

#### **1. Funding Issues**

How do we want to allocate money this year? Strict/Lenient.. What to focus on, etc.

- If a club wants money for a quarterly recurring event, we will lean towards funding per quarter rather than a lump sum for the whole year. So they should come to re-request each quarter.
- Perhaps keep a mental cap of using about 30,000 per quarter

### **Actions Of The Week:**

## **I. WORD magazine**

Motion by Andrew to fund them 1,250 for fall quarter and ask them to come back for winter quarter with more information about distribution.

Motion Seconded by Molly
