Discussion/Actions Of The Week:

- **IV Youth Project**

Discussion: The \$30,000 is a bit higher than we may be able to fund. We suggest to accept the 6% increase from last year and the \$18,000 we paid them last year.

MS: Motion to allocate \$20,000 to IV Youth Project for the year.

MSF: Motion Passed unanimously

- **IV Teen Center**

Discussion: The 10,946 is 1,000 more than what we allocated last year, and the consensus is to grant it to them

MS: Motion to allocate \$10,946 to IV Teen Center.

MSF: Motion Passed unanimously

- **Non Partistan Vote Concert**

Discussion: We would like the group to seek a cheaper sound alternative, however we will provide them with the amount requested if they cannot find an alternative
