Other Business

February 8 at 5pm in the SRB multipurpose room. We are having a prep meeting for the skate park meeting.

Chillavista – IVCRC and EVPLA are putting the event on. The event is set for May 1. Monday at 7pm in AS main if you wan to help plan. We are hoping for 10 bands. All the bands will be local.

Discussion Topics

The URC is being bought by the housing co-op. The bottom floor is being set aside for office space. The top floor of the redevelopment office is also open for office space for the committee. Where do we want to have our office?

We want to rethink funding basic operating costs for the IV Teen Center and Youth Projects. An alternative would be to directly hire the employees through IVCRC and provide them with monthly trainings.
