IV/UCSB Liaison: IV Town Hall Meeting

In accordance with the IV Commission, IV is supposed to have a town meeting every UCSB quarter. This quarter, the IV Town Hall meeting is set to be held on Monday, February 26th, 2007. This meeting, in attempt to get greater attendance by the Isla Vista community, is going to be focused on Housing issues. On the panel will community groups such as IVTU, property managers, community housing, IVFP and others. They are requesting \$1,000 to help specifically fund the advertising. It is a rather high number for advertising, but the are really trying to bring in students and get them active in town hall meetings.

Request: \$1000
