#### **Co-opula- SB Housing Co-op**

Every year, the SB Housing Co-op puts on a large festival in Anisq'oyo park called Co-opula. This year it is to be held on May 5<sup>th</sup>. It has been very successful in the past, and is well attended. It helps to bring all of the community members involved in co-ops together, as well as bring other members of the community together to learn about the co-op. It serves to educate the community about the benefits of co-ops and what they mean to the community. They are asking for \$350 to help cover the costs of renting the park as well as paying for some arts and crafts fees.

**Request: \$350**

#### **IV Blue**

The newly formed Isla Vista Trash Management Committee is starting a large campaign to increase awareness and effectiveness of recycling in IV. To help launch the program, they are starting a "Blue IV" campaign to raise

awareness of the new blue bin recycling pilot program on DP. They are requesting \$1000 to fund the promotional effort, creating banners, graphics, brochures, and give-away promo items.

**Request: \$1000**

### **Actions Of The Week:**

#### **IV Blue**

We fully support this project and the IV Blue goal. The only question we have is why the graphic designing fee costs half of the entire budget. It seems extremely high. Would like to fully fund all the other parts of the request, and fund only a portion of the designers fee.

MS: Motion to Allocate \$750

MSF: Motion Passed

#### **Co-opula**

Co-opula has been successful in the past, and serves as a great way to bring the community together.

#### **Committee Project**

##### **Recruitment Project**

We are looking to get more people involved with IVCRC, and also recruit people for next year's committee. We are thinking about increasing advertising, via nexus and UCSB calendar, and having food at our meetings for newcomers. We are looking to allocate \$450 for food and advertising costs for the rest of this quarter.
