**Topics of the Week:** Look into forming something official in IVCRC against allowing departments of groups that are funded by AS lock-in fees or other student fees to request for more fees. Right now it is 'double dipping' and not a very transparent policy. This is what the students initiative for.

Also perhaps a funding cap of \$20,000 per organization for the year.

Meeting close: 7:30 PM

Thanks all it's been a great year. IVCRC loves you.
