

IVCRC Minutes 5/11/10

i. committee work

a. Social Host Ordinance – at this point the committee does not need to meet. They want to send violators to prison for up to 6 months. Two or more people are considered a party. The term “knowingly” is used ambiguously. Exceptions include religious ceremonies and family gatherings (which is interesting because this was supposedly created to stop alcohol provided by families).

b. banquet – They banquet will be June 3rd on Dead Week. More information to come next meeting! Please fill out the email that Kelly sends out.

c. relay for life – Please sign up for our team if you haven’t already. Megan will email out a list of all members this week!

d. Skate park meeting at the redevelopment office this Thursday at 8pm. Any help would be greatly appreciated!

e. Public Library – Kelly met with Kim who is in charge of afterschool programs at IV Elementary. Kim is meeting with the Principal and other administrator to discuss what they would most benefit from. Kim mentioned we could provide students with a “college experience” and teach the students how to navigate a library. This project will hopefully begin in Fall Quarter and happen once a week. We could tour different departments each week. More information to come from Kelly!

f. Swim Program – Kelly met with the Superintendent. We would like to provide students with free swimsuits. Also, Kelly is in the process of reserving a space.
