

IVTU Minutes 11/28/05

- **Called to Order:** 5:17pm
- **Staff report:**
 - Karla has been working on getting the “IVTU Wants You” [see attached] placed in the email the listserves sent out for major and minors. As well as contacting students who showed interest in the IVRC and IVTU when they filled out application for Boards and Committees for AS.
- **Old Business:**
 - Membership
 - The idea of a “Call-Your-Landlord Day’ was brought up. The preliminary idea is to have tables and phones set up outside of the UCEN and possibly a set up near the Pardall Bridge. Basically we want to provide students with the numbers of the landlords in IV so that they may call them to let them know of any repairs that they need or have needed in the past that were not satisfactorily fixed. This event would take place after Winter Break.
 - Out of the first idea stemmed another project for the January housing hunt. Students who place a phone call to their landlord will be asked to provide either a phone number or an email address where they can be contacted. We will use this information to find out whether or not their landlord fixed the problem the student contacted the landlord about and make a chart that shows how well the landlord addressed the problems. [For example, out of 9 work orders filled for X landlord, only 3 were fixed in a timely manner.] This could be printed for students access to use to help them make smart decisions about whom they want to rent from in IV for next school year.
- **Announcements:**
 - No meeting on December 1st. We will meet again on January 16th, 2005.
 - IV Free Box meeting @ 5:30 on Wednesday 11/30/2005
 - St. Marks University Parish (upstairs Lounge)
 - 6500 Picasso Road.
