Nikkie Sedaghat on Carbon Monoxide Awareness

- Last year an organization donated about 300 alarms to take to houses in IV to set them up for free.

- Law- there needs to be by law a hard wired carbon monoxide alarm in every multi-family complex. What is a multi-family complex?

- Really big issue- Some people don't know what carbon monoxide is.

- Symptoms- usually lightheaded, tired, etc.

- Event date- beginning of spring quarter- IVTU, CAB, Program Board involvement.

-Awareness to the landlords- to get hard-wired carbon monoxide alarms.

-How can we pressure the landlords to get this done?
