- reminding tenants to lock up before leaving
- after this campaign was launched last year there was a 30% decrease in burglaries
- requesting \$2,100 for 160,000 stickers, but only \$800 from IVTU (they are requesting from other BCC's too)
- Motion: **Granted, \$800 allocated**

F. DISCUSSION ITEMS

Letter writing campaign Eviction case Regarding Mass Evictions

- idea about mass letters written by local students to the landlord of where the evictions are taking place in order to show him the severity of the situation and how it can affect his business
- come up with a template about what should be in the letters to show Hilary & Robin
- as UCSB students we will not agree to live under such a landlord that does such mass evictions especially to families
- get other BCC's involved & human rights board
- mention how we will make sure to alert Freshmen about avoiding him as a landlord
- make an online petition "change.org"

IVTU movie night recap

- less than 30 people came
- next time there should be hot drinks
- IVTU blankets?

Plans/Projects for the next quarter

- IVTU should have a calendar to plan and manage time better
- schedule a time, once a week to go door to door and inform families about our services
- tabling at SBCC
- painting addresses on curbs in IV—begin by talking to Esther, Doreen Farr's rep

Walter Capps Memorial Park

- there is a dangerous drop-off cliff there that should be fixed by the county
- fencing is about \$6,000 and \$2,000 for a permit
- county owned park, and the county is making no effort to put up a fence
- hopefully this can be a collaborative effort by community members, business owners, private entities, etc. to fund this
- this is a safety measure
- will be asking for funding later, during Winter Quarter
- county does not want to put up a fence because of liability
- make a case for those fatalities due to cliffs
