V       Report of Chair

Hi you guys! I'm really excited about the year and I think it's going to go well. I ask of you all to please print the minutes and agendas when you come to the meetings just so we all have reference to look back on.

VI      Positions

Internal Vice Chair (1), External Vice Chair(1), and 4 Student at large.

An Email will be sent out with a description of each and we will vote at the next meeting. So please come prepared with what you have in mind.

VII     Old Business

- AS Newsletter – Thinking of putting an Insert into the Nexus about press release and other things going on in A.S. This will be done hopefully once

or twice a month

- AS Shirts – Brittany is not here so Melissa will research about sweatshop free shirts with the AS Logo on it.
- Promo Items – This is an ongoing project, so Alina will be looking at catalogs and bring in the options
- AS Website – Marc is going to try to work with Sean about the website and for now getting events updated on the calendar.
- AS It Is – Nexus says that it may not be possible to put a column of AS It Is every week but we are still going to try. Examples of it will be brought to next week's meeting for a better example of what should be done.

#### VIII New Business

- AS Board & Committee Minutes & Assignments  
We need to act like a liaison to all the boards and committees in A.S. So each person will be assigned to a board or committee and get weekly updates of what is going on and updates on any upcoming events so we can update the calendar and bring to each meeting. Each person will get in contact with the chair and see if there is any way we can promote or publicize their events.

Alina will be emailing the chair to see if there is anything we can help with and put on the calendar. CAB is having the UCSB Turkey Trot, usually this event is well publicized but Molly will ask if they need any help.

- AS Recruitment Fair Tabling

We will have a table at the AS Recruitment Fair next Monday the 22nd from 10 to 3 pm so we need all the help we can get with tabling. Tabling times will be emailed out to everyone to see what time everyone can do it. So far right now Molly will be tabling from 10 to 12:30. Ali will be tabling 11-12:15. Rafael will be going back and forth with the other committee he is tabling with. Alina will be there most of the day. We will have a banner and a sign up sheet as well as a flyer with some information about our committee to pass out.

- Media Relations Email

Our email address is [Mediarelations@as.ucsb.edu](mailto:Mediarelations@as.ucsb.edu) for every one that is in the committee. So if you email to this address we will all get it. Also my email (Alina) is [mediachair@as.ucsb.edu](mailto:mediachair@as.ucsb.edu)
