

# Queer Commission

meeting minutes

October 4, 2006 Wednesday

Present: Jennie, Adam

First Meeting!

1. Things that need to get done:

- find a meeting time, maybe not every week, maybe bi weekly
- Set office hours
- get a meeting with Aaron to ask him: whats the budget we have, specifics on office hours, how can we get our copy code.
- the office needs to be cleaned!

2.Goals and working ideas:

- lets make this qcomm space a resource for other queer orgs. Instead of trying to get everyone to come to meetings, lets have reps from a bunch of different queer orgs
