Facing Race Mission & Vision 2009

Facing Race seeks to promote lasting dialogue and increase public consciousness on some of the most critical issues facing our communities today. From the budget cuts, to hate crimes, to the diversity crisis at UCSB, we aim to address our common struggles, build proactive coalitions, and reconnect our campus with the community at large. We invite you to join us in a series of workshops, discussions, and performances in order to bridge our community struggles, and collectively strive for a change
