## Fee Initiatives and Reaffirmations

### Fee Initiatives

#### College Bound Program

The fee will provide funding to create a College Bound Program that would provide new tutoring, mentoring, and outreach jobs for undergraduate and graduate students. The program would serve underrepresented K-12 youth in Santa Barbara County who do not currently have access to UCSB tutoring programs. Do you approve of a mandatory fee of \$7.62 per undergraduate for Fall, Winter, Spring and Summer quarters to support the College Bound Program (of the \$7.62 collected, \$1.90 is for return to aid, \$0.37 is for a 7% administrative assessment collected on all non-capital expenditures, \$0.06 is for the AS recharge fee and \$5.29 will go to the College Bound Program)? If passed, the fee would begin Fall 2012 and be subject to reaffirmation every two years thereafter as mandated by the AS Constitution.

#### Pro Statement:

The College Bound Initiative intends to create an outreach and tutoring program that would serve underrepresented/underserved youth in the Santa Barbara County. The initiative would provide additional tutoring jobs for undergraduates and graduate students in multiple schools throughout Santa Barbara County. This program would be modeled after the current UCSB Upward Bound and the America Reads/America Counts (AR/AC) programs. Currently Upward Bound serves high school students (9th-12th grade), and AR/AC provides a limited number of tutors to elementary schools (K-6). This initiative would create new student jobs, maintain existing student employment, and would expand services to include Junior High students; a community currently not served by UCSB tutors. Funds will be used to employ graduate students to facilitate training and scheduling, coordinate with teachers and principals, and provide mentoring experiences for undergraduate tutors. What would make it different from Upward Bound and AR/AC is that the resources would not have the restrictions that federally funded Upward Bound does, nor be limited in the number of students we can employ like AR/AC. College Bound would create an extension of the AR/AC and Upward Programs; expanding resources for such services as tutoring, SAT prep, Saturday College, mentoring, college tours, and other academic and financial aid workshops beneficial to future college students

#### Con Statement:

#### UCSB and Isla Vista Pride

UCSB and Isla Vista Pride is an annual event that happens both on our campus and in our Isla Vista community. Pride consists of a week of events, ranging from workshops to social events, such as the student and professional drag shows, to political events, such as the Queer Wedding, and is culminated by a festival in Isla Vista. The whole week is student-run as collaboration between Queer Commission, the Pride Committee, and many other campus and local queer and ally organizations. The events are meant to bring visibility to our diverse queer community and it's allies to join in celebrating Pride. Do you approve of a mandatory fee of \$1.23 per undergraduate for Fall, Winter and Spring quarters to support UCSB/Isla Vista Pride Week (of the \$1.23 collected, \$0.31 is for return to aid, \$0.06 is for a 7% administrative assessment collected on all non-capital expenditures, \$0.01 is for the AS recharge fee and \$0.85 will go to UCSB/Isla Vista Pride for Fall, Winter and Spring? For Summer do you approve of a mandatory fee of \$1.00 per undergraduate (of the of the \$1.00 collected, \$0.25 is for return to aid, \$0.05 is for a 7% administrative assessment collected on all non-capital expenditures, \$0.01 is for the AS recharge fee and \$0.69 will go to UCSB/Isla Vista Pride for summer). If passed, the fee would begin Fall 2012 and be subject to reaffirmation every two years thereafter as mandated by the AS Constitution.

#### Pro Statement:

#### Con Statement:

#### The Bottom Line

The Bottom Line is UCSB's weekly student-run newspaper that provides an alternative print and online space for student investigative journalism, culturally and socially aware reporting and engaging commentary that addresses the diverse concerns of the student community, both on and off campus. Editors and staff members teach aspiring student journalists how to write, research and produce top-notch journalism through workshops, staff meetings, office hours and an all-inclusive learning environment. Through this fee, student journalists can continue to produce high-quality, alternative news content, photos, illustrations and multimedia projects for UCSB by purchasing more equipment and supplies, paying for printing and operating costs and traveling off-campus to report on important student events like UC Regents meetings, student conferences and student demonstrations. This fee will also go toward the employment and recruitment of student journalists as independent contractors and editorial board members. The Bottom Line newspaper is dedicated to serve the UCSB community, and will continue to do so through the passing of this fee. Do you approve of a mandatory fee of \$1.69 per undergraduate for Fall, Winter, Spring and Summer quarters to support The Bottom Line (of the \$1.69 collected, \$0.42 is for return to aid, \$0.08 is for a 7% administrative assessment collected on all non-capital expenditures, \$0.01 is for the AS recharge fee and \$1.18 will go to The Bottom Line)? If passed, the fee would begin Fall 2012 and be subject to reaffirmation every two years thereafter as mandated by the AS Constitution.

#### Pro Statement:

Vote YES for The Bottom Line to stay in print! Vote YES for The Bottom Line and ensure UC Santa Barbara always has a choice in media outlets. Vote YES for The Bottom Line so we can continue to honorably and eagerly report the news and events most important to UCSB and Isla Vista.

#### Con Statement:

For its sheer size and high level of activity our university demands multiple news formats, and its absence of a formal journalism program means UCSB students need opportunities to break into the field. The Bottom Line prides itself as an organization that will always be an inclusive, safe place ready to open our doors to budding talent in writing, photography, illustration, graphic design and video.

We think you're interesting UCSB, and pretty funny too. So let us continue being your weekly newspaper and we'll show you the love back.

#### A.S. Finance Board

A.S. Finance Board is the financial arm of Associated Students responsible for all A.S. budget allocations, and funding of student programs, student events, educational, and recreational events held by student groups from the UCSB community. Student groups are responsible for the majority of on campus events and serve to educate the community, provide an outlet for students, and serve as an avenue for students to socialize. The A.S. Finance Board Lock-in Fee will be used specifically to fund over 400 registered student groups on campus. The funds generated from this lock in fee will be deposited into the Finance Board Unallocated fund from which registered student groups may request funding for their events. Do you approve of a mandatory fee of \$10.08 per undergraduate for Fall, Winter, Spring and Summer quarters to support the "Finance Board/Student Organization Program Funding Lock-in" (of the \$10.08 collected, \$2.52 is for return to aid, \$0.49 is for a 7% administrative assessment collected on all non-capital expenditures, \$0.07 is for the AS recharge fee and \$7.00 will go to the "Finance Board/Student Organization Program Funding Lock-in")? If passed, the fee would begin Fall 2012 and be subject to every two years thereafter as mandated by the AS Constitution.

#### Pro Statement:

#### Con Statement:

#### COSWB

The Commission on Student Well-Being (COSWB) is committed to promoting the well-being of UCSB students. The fee will allow COSWB to put on free programs such as weekly fitness activities, monthly film screenings on topics of mental and social well-being, and other wellness related events. We organize mental health mixers to inform students of available resources on-campus, as well as organize mental health summits to plan for collaborative projects with other mental health related groups at UCSB. We also run a yearly Anti-Stigma Campaign in order to reduce the stigma associated with mental illness and endorse a person's right to seek treatment. COSWB presents speakers on subjects of positive psychology and mental health issues, and other miscellaneous wellness events. The fee will be used to fund the many programs and services listed above that are offered free to the students, administrative costs, and allow COSWB to sponsor other groups on campus who put on events for the well-being of UCSB students. Do you approve of a mandatory fee of \$1.44 per undergraduate for Fall, Winter, Spring and Summer quarters to support COSWB (of the \$1.44 collected, \$0.36 is for return to aid, \$0.07 is for a 7% administrative assessment collected on all non-capital expenditures, \$0.01 is for the AS recharge fee and \$1.00 will go to the COSWB)? If passed, the fee would begin Fall 2012 and be subject to reaffirmation every two years thereafter as mandated by the AS Constitution.

#### Pro Statement:

#### Con Statement:

#### AS Food Bank Fee

The AS Food Bank Fee Initiative shall allow for funds to directly sustain stock of food and toiletries, support operational costs such as rent, transportation, and staff costs, and to allow for possible expansion of the existing on campus Food Bank in the future. The AS Food Bank provides all currently registered undergraduate UCSB students in financial need, with supplemental assistance through free food and toiletries. Additionally, this fee will provide for financial, medical, and housing referrals, including off-campus resources, and education concerning hunger and homelessness. Do you approve of a mandatory fee of \$1.80 per undergraduate for Fall, Winter, Spring and Summer quarters to support the AS Food Bank (of the \$1.80 collected, \$0.45 is for return to aid, \$0.09 is for a 7% administrative assessment collected on all non-capital expenditures, \$0.01 is for the AS recharge fee and \$1.25 will go to the AS Food Bank)? If passed, the fee would begin Fall 2012 and be subject to reaffirmation every two years thereafter as mandated by the AS Constitution.

#### Pro Statement:

VOTE YES on AS FOOD BANK  
In an environment of budget cuts and continuous increase in tuition fees, some students at UCSB have to choose between paying for school and buying food. Often times, students skip meals to save money. Because of this, the A.S. Food Bank was created to promote the retention and welfare of every UCSB student. Based on the increase of students using this service from 5 students when the Food Bank first opened last spring quarter, to currently 80+ students weekly, coupled with rising tuition costs, the number of students coming to the Food Bank weekly is bound to increase exponentially over the next five years. The Associated Students' Food Bank has introduced a new student fee initiative for \$1.81/quarter to the AS ballot that will go towards the expenses of keeping the food bank stocked with canned food and toiletries for students in need at UCSB. Please support this cause, we need you!

#### Con Statement:

#### Student Engagement Center (SEC)

The Student Engagement Center (SEC) will provide extended-hours study space and computer lab; student organizational meeting and activity space; a preventative wellness center and mental health services satellite; space for Associated Students entities such as the Bike Shop, the Food Bank and the Environmental Affairs Board; and student resource centers for emerging student communities such as student veterans and former foster youth. Do you approve a fee to support construction, operation, and maintenance of the SEC? The fee will be assessed beginning fall of 2015. The debt portion of the fee will continue for approximately 30 years (depending on availability of financing terms) after which the per student/per quarter fee will be adjusted to cover maintenance and on-going facility costs. Additionally, beginning in 2020, a Cost of Living Allowance (COLA) adjustment for inflation will be calculated and assessed every 5 years (this could potentially raise or lower the assessed fee). Do you approve of a mandatory fee of \$27.56 per undergraduate for Fall, Winter, and Spring quarters to support the Student Engagement Center (of the \$27.56 collected, \$6.88 is for return to aid, \$0.60 is for a 7% administrative assessment collected on all non-capital expenditures, \$0.09 is for the AS recharge fee and \$19.99 will go to the Student Engagement Center for fall, winter and spring)? For summer do you approve of a mandatory fee of \$16.53 per undergraduate student (of the \$16.53 collected \$4.13 if for Return to Aid, \$0.36 is for 7% administrative assessment collected on all non-capital expenditures, \$0.05 for AS recharge fee and \$11.99 will for the Student Engagement Center). If passed, the fee would begin Fall 2015.

#### Pro Statement:

The Student Engagement Center (SEC) will provide new and expanded services that will be accessible to all UCSB students.  
A recent survey shows 81.6% of students would use a new 24-hour study space (33.3% said they would definitely utilize such a space). The SEC will provide this and cater it directly to the vision of students.

#### Con Statement:

That same study indicates support for a wellness center (also a main feature of the SEC). Preventative wellness is becoming an increasingly important and urgent need. Students' lives and academic experiences are negatively affected by a lack of spaces that promote wellness.

Similarly, emerging student populations on campus (such as student veterans, former foster youth students, international students, etc.) require specialized resources. The SEC will also address this void on campus by providing resources for emerging student communities that are currently underserved.

Finally, the SEC will also provide permanent and sustainable space for programs and services that students have already indicated are needed on campus (the A.S. Food Bank, the Environmental Affairs Board, the A.S. Bike Shop, etc., as well as more space for students and student groups to meet).

This fee, combined with reserves from existing resources, will provide for the development and maintenance of a space that will serve the aforementioned functions. Consistent with student fee policy, students will not be charged this fee until the projected opening of this space (Fall Quarter 2015).

The SEC is critical to the well-being of future students.

### Fee Reaffirmations

**Educational Opportunity Program (E.O.P.):** Do you support the funding of one dollar and twenty-five (\$1.25) per AS/UCSB membership per quarter (fall, winter, spring) and \$0.83 for summer quarter for E.O.P?

Reaffirm Your EOP Support

The AS/EOP item on the Associated Students ballot is to reaffirm \$1.25/academic year/.83¢ summer toward AS/EOP Emergency Grants and EOP student services. Emergencies happen and the grants are there to assist need-based financial aid EOP students for expenses not covered by financial aid or insurance, such as medical, dental or optical, and graduate school application and testing fees. It also covers one-time emergencies, such as transportation during a family illness/death, housing costs if facing an unforeseen eviction and expenses that exceed the financial aid budget.

Students that utilize the emergency funds are those needing assistance with expenses not covered by other sources. This fund allows for confidential financial support of students in their time of need.

Thanks for your support of EOP.

EOP Staff

A "Yes" vote for the reaffirmation of the \$1.25 fee for the AS/EOP Emergency Grant is one of the most important. EOP provides free academic, career, and personal counseling for all students to enhance their college experiences and to help them succeed throughout their tenure at UCSB. With record-high tuition increases and expensive living costs in the local community, many students find themselves struggling to make ends meet. Aside from the economic recession and educational financial crisis, emergencies happen and students often find themselves unable to pay for books, food, and other personal necessities. AS/EOP Emergency Grants are given to qualified EOP students that need funding during critical times to assist them in paying for expenses not covered by financial aid or insurance, such as medical, dental or optical, and graduate school application and testing fees. The grants also cover one-time emergencies such as transportation during family illness and death, housing costs if facing unforeseen eviction, and expenses that exceed the financial aid budget. EOP helps relieve students from academic and financial stressors from a financial crisis. Hence, a vote YES for the EOP Emergency Grant reaffirmation is also a YES for the betterment of students at UCSB and for the future success of incoming college students.

EOP Student Mentor

Hello,

My name is Elsa Ochoa and I am the Lead EOP Student Mentor for the 2011-2012 academic year. I am emailing a statement on behalf of a crucial service available to students who need the most aid and support.

I believe it is imperative that EOP Emergency Grants continue to be offered. As an EOP Student and the Lead EOP Student Mentor, I have found that this resource is beneficial for all students, including myself. On countless occasions, I have advised students about available grants. I know many students who could not afford contact lenses or glasses necessary for learning in the classroom. As a low income student, I was fortunate to be able to acquire glasses through the EOP grant. In addition, many low income and/or first generation students have taken advantage of the grants available for graduate school applications. Through these grants, EOP students are able to get rid of the financial burden that graduate testing and applications impose upon them. A lack of financial support or means should not stand of the way of EOP students reaching their goals!

Thank you for your time,

The Educational Opportunity Program's (EOP) Emergency grants are essential to students who need extra financial assistance throughout the academic school year. Thus, it is imperative that we continue to fund this resource. As an EOP student mentor, I have the privilege to help numerous UCSB students on a personal scale. Several of these students have come to me with questions about the various grants that we offer and how they can get assistance with paying for new eyewear, getting reimbursed for their quarterly book expenses, and financial support once they have exhausted all of their resources. The EOP Emergency grant has personally helped me pay for 5 of my graduate school applications and preparation for the GRE through Kaplan here on campus. This funding made a typically stressful period manageable and I am truly thankful for this resource. I hope that everyone strongly considers the importance of continuing this grant and takes an assertive step forward in the process of helping other Gauchos in need.

**Isla Vista Arts (IV Arts):** Do you support continued funding of \$2.00 per undergraduate student for Fall, Winter and Spring quarter and \$0.67 for summer to support Isla Vista Arts?

If you have enjoyed any of the following events in Isla Vista, please consider voting for the renewal of IV Arts funding. At present, our funding is one of the most generous. IV Arts provides free academic, career, and personal counseling for all students to enhance their college experiences and to help them succeed throughout their tenure at UCSB. I'm Nate Walter, and I'm running for AS President because I want to ensure that all actions from and within our Association are for the betterment of the entire student body, not any one group or individual.

It is my goal to bring our Association back to serving the purpose for which it was created, back to its core values: namely, to preserve and promote the educational opportunities of every student here at UCSB.

As your President, I will:

As your President, I will:

-Use student fees rationally and responsibly. We already pay too much for tuition; any additional fees should only be used to your benefit. I stand for maintenance, prioritization, and promotion of student services like CLAS and the Ucen-study center.

-Keep UCSB public by applying consistent pressure on lawmakers while simultaneously working internally to lower tuition and fight privatization. Formalizing a fast-track 3-year graduation program is just one example of the changes I that I will advocate to ensure you're not paying any more than you need to at UCSB.

-Protect social equality, because every student has the right to be heard. I'll continuously seek out student concerns, reveal issues that underrepresented students face, and work to resolve these issues.

**Nathan "Nate" Walter**  
Open People's Party  
(O.P.P)

My Experience:

Representative First-Protempore:

-Served as the highest-ranking representative on Legislative Council.  
-Held representatives accountable for making rational decisions on your behalf.

Member of Finance Board:

-Fought for responsible use of your student fees.

Financial Advising Assistant, LPL Financial:

-Spearheaded socially responsible investments.

Thanks for reading! Vote for  
Nate Walter and OPP!

## Candidates for External VP, Statewide Affairs

Hello All!

My name is Nancy Gama-Rodriguez. I'm a third year Global Studies major. I hope to be YOUR next External Vice President of Statewide Affairs (EVPSA).

There have been many changes in the past 10 years to the UC system that are affecting our diverse population of students tremendously. Student fees have increased exponentially, getting into classes has become an enormous challenge, and we are at a point when federal student aid is under attack.

In order to perform as EVPSA I rely on my experience of:

- CURRENTLY serving on the University of California Student Association (UCSA) Board as the National Organizing Director under the current EVPSA
- MOBILIZING students to attend conferences such as Student Lobby Conference in Sacramento and United States Student Association Legislative Conference in Washington D.C.
- PERSONALLY lobbying assembly members, senators, congressmen, and the UC regents on a local, statewide, and national level.

I Will:

- RUN a get "out the vote" campaign; this November there are initiatives on the California ballot that directly affect UC funding.
- WORK closely with the Student Lobby Committee to expand their lobbying power.
- FIGHT to increase the number of voting Student Regents.
- PRIORITIZE the Student Aid and Fiscal Responsibility Act, DREAM Act, preservation of Cal Grants, and state investment in higher education.

Vote Nancy for EVPSA to have a brighter future for the UC and vote for OPP!

Welcome to the Party.

Hey Everyone!

My name is Amir Khazaieli, and I'm running to be the collegiate senator for the College of Engineering! I'm excited to use the experience I have gained from RHA this year to confront issues at UCSB today. - Find more ways for FACULTY and STUDENTS to interact within their respective colleges and explore different COLLABORATIVE opportunities

Hey Gauchos! I'm Alex Sercel and I'm a first year CCS Biology major running to be YOUR CCS Senator

**Alexander "Alex" Sercel**  
Open People's Party  
(O.P.P)

next year! I'm really excited to represent you all, and here's why I'm the guy for the job:  
— I co-founded the CCS Student Interest Group, which connects our different majors, provides a network for the college as a whole, and gives YOU direct contact to the Associated Students community.  
— I have many opinions and I'm not afraid to share them, especially when they help YOU, my fellow students!  
We're all concerned about the FUTURE of CCS. I'll make sure to represent all of YOU when communicating with CCS administration about your needs.

Here are my ideas to make CCS an even better place to learn!  
— CCS needs more BIKE RACKS. How can you possibly focus on a problem set or paper if you're worried about your bike getting stolen or impounded? I will get new racks for CCS, because the concrete rectangle on the lawn isn't a parking spot.  
— I'll work with Green CCS to make sure there is funding for eco-friendly initiatives.  
— One green issue I will address is campus plastic bag policy. If elected, I'll push to save trees and money with discounts for using eco-friendly bags at the bookstore.

These are only a few aspects of what I bring to the table. If elected, I will represent YOU and make sure your needs are met. So vote Alex Sercel and the rest of OPP, thanks!

## Candidates for Off-Campus Senator

**Alexandria "Alex" Choate**  
Open People's Party  
(O.P.P)

Hey Gauchos!  
My name is Alex Choate and I am running to be one of your Off-Campus Senators. Currently, I'm a second year Political Science major double minoring in LGBTQ Studies and Global Peace & Security. After attending a leadership conference, I have actively been working to lower tuition in the External VP of Statewide Affairs' office. I've worked to ensure power remains in the hands of students through projects like Voter Registration and a Sacramento protest. Furthermore, I managed restaurants in high school, so I not only have organization and leadership skills, I can also cook you a good burger!

If elected I plan to:  
-Address FISCAL ISSUES. Among these include continuing the fight against tuition increases and allocating the budget to best benefit you.  
  
-Working to make the Associated Students office a more ACCESSIBLE RESOURCE AND ENVIRONMENT for students to feel comfortable in and utilize. I want to hear what your needs and concerns are so I can more accurately represent you, the students. After all...you have the power to elect me!  
  
-Facilitating SAFETY on and off campus to better our community. I wish to facilitate and support events that will educate our student body on the prevalence and prevention of hate crimes. I also wish to create additional red emergency phones located in more visible stations around campus and in Isla Vista.

Above all, representing you and bettering our unique community and university is my goal. REMEMBER: BE DOWN WITH OPP and VOTE CHOATE!

I'm Kaitlyn Christianson and as a second year living on Trigo, I've been able to experience all the things that make IV so unique. From the beautiful sunsets to the amazing people, it's an incredible place to live. But I've also gotten a chance to see everything from poor lighting to burglary. As an OFF-CAMPUS REP I want to celebrate all the things we love about IV and UCSB, and improve the things that could use a little help.

This year the things I did to improve OUR community:

**Kaitlyn Christianson**  
Open People's Party  
(O.P.P)

- As Chair of the Isla Vista Community Relations Committee I:
  - o Planned PARDALL CARNIVAL and am currently planning CHILLA VISTA, two sustainable festivals that highlight Isla Vista's unique culture and diverse population
  - o Funded groups such as Laughology, SB Hillel and IV Teen Center.
- As the IV Liaison for the External VP of Local Affairs I:
  - o Worked with other students in discussing IV Safety and maintained an effective relationship with IV Foot Patrol
  - o Collaborated on the creation of an IV Brochure
  - o Worked toward an IV community space (in progress)

The ideas I have to improve YOUR next year at UCSB:

- Continuing my work on IV safety with projects like the Anti-Burglary campaign
- Increasing the artwork in Isla Vista to further beautify the area we live in
- Bridging the gap between you and those who can implement your ideas: I will make sure YOUR VOICE is heard

So when you're voting remember OPP and KAITLYN CHRISTIANSON for OFF-CAMPUS!

- blonde and an aspiring Chinese major currently taking Chinese 6.
- understanding of different cultures and backgrounds through my experiences traveling 10 countries on 4 continents, including living in a "Hello Kitty"-themed room in China and a hut in Kenya.
- from New Jersey, but I call UCSB my home!

**Alessandra Cianni**  
Open People's Party  
(O.P.P)

Things I've done on campus as a first-year student include:

- working for the Residence Halls Association (RHA) as a Representative at Large. In this position, I have worked to represent the best interests of UCSB students and to ensure that student fees are spent responsibly.
- being a Freshman Summer Start Program (FSSP) Floor Senator.

Goals I'd like to pursue as an Off-Campus Senator are:

- to create an atmosphere in the arbor in which students feel comfortable walking to and from class by making an environmentally friendly place online where organizations can promote their information in a more effective way.
- 跟我们的国际学生整合! [to better integrate our international students into our community!]
- to encourage the university to have more 24-hour study spaces.
- to make Isla Vista, Goleta, and Santa Barbara feel like home to everyone who lives here by keeping these communities fun and safe.

VOTE ALESSANDRA CIANNI FOR YOUR OFF-CAMPUS SENATOR AND VOTE OPP! :)

I worked closely with community organizations such as Relay for Life, Children's Miracle Network, Developing Options Youth Foundation, local food banks, and more. Hello Gauchos!

My name is Kayla Donley and I'm a 2nd Year E.S. Major. I teach 1st graders with EENG and play on the UCSB Women's Lacrosse Team. I'm with DP PARTY and want to be YOUR Off-Campus SENATOR!

Here's why:

**Kayla Donley**  
Democratic Process Party  
(D.P. Party)

Our student body is inspiring, innovative and when represented right, we can make changes! I know how FEE INCREASES, IMPACTED CLASSES, and lack of representation in OUR University's decisions affect student's access to education and opportunities! I believe in CONNECTION and COLLABORATION.

I'm currently the Environmental Affairs Board Liaison to Human Rights Board. As Liaison I have:

- Promoted the connection between human rights and environmentalism on and off campus
- Organized Environmental Justice events
- Facilitated dialogue between community members, underrepresented groups, faculty and students
- LISTENED to and REALIZED new perspectives from diverse groups of students
- Collaborated with organizations and real student activists to make powerful change

Goals if elected:

- REPRESENT ALL the students and make sure their issues are REALIZED and ADDRESSED by THEIR government
- Continue to facilitate DIALOGUE between ALL organizations to make sure that your ideas turn into action
- Promote sustainable policies, like the Green Bill, to protect SB's beautiful environment
- Support legislation that strengthens community representation
- Defend student rights to a safe, hate-free, and affordable campus
- Increase AS's ACCESSIBILITY and improve the CONNECTION between students and AS

Our visions for OUR university should be represented by AS. I want to be here for YOU! YOUR FEES, YOUR VOICE!

So Vote KAYLA DONLEY, DP Party for OFF-CAMPUS SENATOR!!!

How's it going, UCSB?

My name is Will Ellis, and I'm running to be YOUR Off-Campus Senator! Let's just get down to it, and talk about what I want to do for you.

**William "Will" Ellis**  
Democratic Process Party  
(D.P. Party)

If elected I will:

- Work as hard as I can to get YOUR voice heard. Currently, less than half of our representatives have any contact information available to us, the students THEY'RE SUPPOSED TO BE REPRESENTING. That's messed up, y'all. I will make sure we are always available for you to express your concerns/ideas/etc. to.
- FIGHT TO LOWER FEES! I've personally had to work three different jobs at the same time while going to school at UCSB, just to help pay for my opportunity to attend our great school. I know the pain we're all feeling, and will make sure to do all I can to INCREASE STUDENT AID!
- Help create a campus and community that's a safe place for everyone. We need an AS that's going to support those whose needs are currently being ignored. We're a big family here at UCSB, y'all. WE NEED TO HAVE EACH OTHER'S BACKS!
- Help mobilize our campus' activist community! TIRED OF YOUR VOICES NOT BEING HEARD? So am I! Let's hit the streets TOGETHER and MAKE our voices heard!

Simply put, I AM HERE TO REPRESENT YOU! If you ever see my scruffy face around campus, flag me down and SPEAK YOUR MIND! I'm here to listen!

VOTE DP, and VOTE WILL ELLIS FOR OFF-CAMPUS SENATOR!

AIN'T NO PARTY LIKE A DP PARTY, BECAUSE A DP PARTY DON'T STOP!

Hey Gauchos!

I will improve the transparency of fee increases, making sure that the politicians and board members remember who they serve.

□ Environment:

UCSB students are some of the most innovative and forward-thinking people on the planet. I want to make our school the leader in environmentally-friendly institutions by creating standards for future projects to ensure that the environment is considered in everything we do.
