SECTION 10. INTERPRETATION OF ELECTION RESULTS

A) In order for any Constitutional or Fee-Related ballot measure to be valid, twenty percent (20%) of all registered, fee-paying undergraduate students must vote in the Election. The number of voters will be computed by counting the total number of ballots cast.

B) In order for an individual ballot measure to be valid, fifteen percent (15%) of all eligible students must vote on that particular ballot measure.

C) In order for a ballot measure to pass, students voting on that measure must vote YES in percentage as defined in the Constitution. (Blank ballots will not be computed in the final percentages.)

D) In order that a ballot measure be justifiable as a mandate, students must know in advance what their non-voting will mean. Therefore, a statement which reads as follows should be submitted to a campus media and should be included in all election publicity:

"If you choose not to vote on the measures in this Election, you are leaving the decision up to your peers. A blank ballot means that you trust their decision."
E) The intent of this statement is to reduce the confusion experienced concerning the interpretation of blank ballots, thereby eliminating speculation about whether or not students understood a particular ballot measure.

F) In order for a ballot to be valid and count towards the Election, students must officially submit their ballot by clicking the submit button. Failure to submit ballot will result in no votes casted for that student.

Applications for a portion of these funds may be made, and any funds allocated may be used as follows:

1) A budget request must be submitted to and approved by Finance Board. If the election is four (4) or fewer weeks away, application for funding may be made directly to the Senate. The request shall be divided into expense categories, but the total of the entire request must not exceed two hundred dollars ($200).

2) All allocations must receive final approval from the Senate, and an election bond of thirty-five dollars ($35) must be posted, before funds may be spent. No more than two hundred dollars ($200) may be approved for the proponents or opponents of any ballot measure.

C) Business which directly involves student money, welfare, or business may be conducted via phone only if the student body and all Senate members are notified via email twenty-four (24) hours prior to the vote.

D) In the event that quorum is satisfied in a meeting, no means can be used to circumvent quorum in order to satisfy the use of a phone vote.

E) Only elected members of the Senate and A.S. Executive Branch shall have the authority to request a phone vote. Any topic for a phone vote requires an author and a second. The author or second must submit either a pro or con statement to the Internal Vice President.

F) The Internal Vice President shall solicit additional pro and con statements in writing, on the issue. No phone vote may be taken without both statements.

G) The A.S. Secretary and the Internal Vice President shall send out an e-mail at least twenty-four (24) hours prior to the initiation of the phone vote to all concerned parties, including but not limited to: all Senators and Executive Officers. The email shall include the issue(s) to be voted on and all pro and con statements. Before the phone vote, the Internal Vice President shall check their email for any votes that may have been cast by Senate Members through email and incorporate those votes into the official tally. At reasonably varying times, the A.S. Secretary and the Internal Vice President shall call each voting member of the Senate to present the pro and con
statements and record the votes cast. The same requirements for passage of measures in “live” session will apply for phone voting. Dialogue influencing a Senate member’s vote shall be prohibited, except for the solicitation of pro and con statements.

**POLICY 5. SENATE “RUSH” PHONE VOTE PROCEDURES**

A) Members of A.S. Boards, Committees and Commissions may request a “rush” phone vote for the approval of minutes when extenuating circumstances exist or when early approval is necessary. Extenuating circumstances include but are not limited to: meeting cancellations caused by holidays or lack of quorum and errors in including minutes for approval on Senate meeting agendas.

B) An elected member of the Senate or A.S. Executive Branch shall have the authority to initiate a “rush” phone vote at the request of a board or Committee member.

C) The Senate member or Executive Officer who initiates the vote will be responsible for the preparation of the following:

1) A statement of the pertinent elements of the minutes which must include:
   a) Date and time at which the meeting occurred.
   b) Number of voting members in attendance out of total voting membership.
   c) List of all monetary allocations of A.S. monies with breakdown of votes of each allocation.

2) Both a pro and a con statement which are factually accurate and include any foreseeable issues of concern.

D) A phone call will be made and an email sent by either the Internal Vice President or an A.S. Main Office secretary to each member of the Senate. Any member not available upon initial attempt to contact will be called at least one additional time and will have at least one full hour after the initial attempt to contact to respond and vote.

E) The “rush” phone vote will be determined final no earlier than one full hour following the last initial phone call made, and will last no longer than can be facilitated by the Internal Vice President or one of the A.S. Main Office assistants.

F) Minutes must be approved by the same number as would be required at a regular session of the Senate. This number is fifty percent plus one (50% + 1). If less than this amount of the council can be reached, or if the minimum number are reached but do not all vote in favor of passage, then the minutes may not be passed.

G) If the minutes are not passed they will still be put to a vote through the regular procedure during the next regularly scheduled Senate meeting.

**POLICY 6. REPLACEMENT PROCEDURES**

A) After the removal or resignation of a Senator, the official runner-up shall be notified by the Internal Vice President, Student Government Advisor, or A.S. Secretary and sworn in no later than two (2) weeks after the removal or resignation is official.

B) After an official resignation or removal has taken place, the Internal Vice President, Student Government Advisor, or A.S. Secretary shall notify the official runner-up by e-mail and attempt to contact him/her by phone at least once a day for three days. The official runner up shall have until 4:00 p.m. the day after the final phone call was made to notify the Internal Vice President, Student Government Advisor, or A.S. Secretary by phone or e-mail of their acceptance or declination of the position. If the official runner up has not notified the Internal Vice President, Student Government Advisor, or A.S. Secretary by 4:00 p.m. the day after the final phone call was
made, he/she shall be considered to have declined the position and the Internal Vice President, Student Government Advisor, or A.S. Secretary shall move on to the next official runner up.

C) In the case of no official runners-up, the official Senate Ad Hoc Committee formed to interview possible replacements has five (5) weeks, after the official resignation or removal of the Senator, to submit its recommendation for approval by the full Senate.

D) In case of a tie between the official runners-up, a Senate Ad Hoc Committee, chaired by the First Pro- Tempore, shall be formed to interview the two (2) or more official runners-up and submit its recommendation for approval by a required two-thirds (2/3) approval by the Senate. The quorum for this Ad Hoc Committee, including the chair shall be no less than one fifth (1/5) of the membership of the full Senate. The President, Internal Vice President, and Committee on Committees Chair and Vice Chair shall be considered non-voting, ex-officio members of the Committee. Motions offered by ex-officio members shall not be in order.

E) Once a replacement is determined, the Internal Vice President shall swear the individual in after Proxies and Excused Absences using the following oath, then allow the new member to join the Senate:

I, Your Name, hereby affirm that I will fulfill the duties of a(n) position Representative for the academic year Senate to the best of my ability. I will seek to facilitate the Associated Students and the University Community in a manner that is consistent with the ideals of an academic community.

POLICY 7. PROCEDURES AND EXCEPTIONS REGARDING BREACH OF RULES AND DUTIES

A) The voting and non-voting members of the Senate shall attend regular and special meetings during periods of regular instruction, excluding the tenth (10th) week of instruction where attendance must be voluntary; thus any absence or proxy received during such a meeting will not be counted against the yearly and quarterly totals. Furthermore, no meetings called during finals week will be considered official and proxy is acceptable.

B) An excused absence from required meetings will be given for medical reasons or a death in the family, as well as extenuating academic circumstances, or non-recurring occupational related issues which must be pre-approved with the critical discretion of the Internal Vice President. In order for an absence to be considered excused, the absent Senator must submit a written Senator Report to be read by the Internal Vice President during the Senate meeting or have adequately informed their proxy of an update to give during the allotted time for Senator’s Reports. If the student withdraws from the University, even for medical reasons or a death in the family, the Internal Vice President shall recommend their removal from Senate with two-thirds (2/3) vote of the approval by the Senate.

C) Senate members may only have three (3) excused absences from Senate meetings per quarter. The only exceptions are for reoccurring academic circumstances as described below. After three (3) excused absences, an absence shall be considered as one (1) unexcused absence. Therefore, after a total of five (5) absences one is up for removal as per the procedures in Article VI, Section 5.

D) A Senator may only be considered for a reoccurring academic circumstance for one (1) quarter. If this academic circumstance exceeds one (1) quarter, the individual will be subject to removal. A quarter shall be defined as one (1) academic quarter at the University of California, Santa Barbara. A Senator must provide a proxy for the duration of their absence in order for the absence to be excused. All procedures for proxies and excused absences must be followed.

1) In the event a Senator chooses to study abroad, one (1) quarter and one (1) quarter only shall be considered a reoccurring academic circumstance.

2) In the event a Senator has a class conflict during a Senate meeting, one (1) quarter and (1) quarter only shall be considered a reoccurring academic circumstance.
E) Of the three (3) permitted excused absences, only one (1) will be accepted without a proxy. When a Senator must send a proxy, the Senator must present a memorandum to the Internal Vice President before the meeting begins (via e-mail, written notification, and or verbal notification). The memorandum must give the name of the proxy, and by delegating a proxy, the Senator will take responsibility for the proxy’s vote on any item. Neither another Senator nor the Recording Secretary may proxy for a Senator, neither shall any Executive Officer, or the A.S. Elections Committee Chair, voting members of the A.S. Elections Committee, the A.S. Parliamentarian or any member of the Judicial Council be accepted as a proxy for a representative.

F) All excuses for absences and tardies are subject to the approval of the Senate. All absences, proxies and tardies are subject to the approval of the Senate. As per the A. S. Constitution however, only elected Senators counts towards quorum.

G) Senator proxies must fall in their respective Senator’s constituency.

1) In the event that a CCS, Engineering, or University-Owned Senator has unsuccessfully exhausted all avenues of potential proxy recruitment from their constituency they shall be permitted to seek out a proxy from the general UCSB student body.
